

# More than just water.

It is life and livelihood.

## Patron of the Muskoka Watershed Support Program

When you donate to the Friends of the Muskoka Watershed, you help provide essential financial resources allowing us to continue to perform vital, high-quality, independent environmental research programs and projects. This has a direct, positive effect on maintaining and sustaining the environmental health and vibrancy of Muskoka's watersheds and, thereby, our economic health and vibrancy. As we continue to grow our capacity and capabilities, your donation will help secure our

ability to attract the best minds in environmental research to tackle complex challenges and take effective action through innovative solutions.

Furthermore, as we broaden our partnerships, research conducted in Muskoka will have a beneficial impact on a global scale as we take a leadership role in the science of freshwater and environmental health.

What an extraordinary legacy. You and your family continuing to enjoy the natural, spiritually-uplifting beauty of Muskoka, for this generation and generations to come, a Muskoka which will be admired for global environmental leadership, simply because you care enough about our Muskoka to become a Friend and a donor.

Our Patron of the Muskoka Watershed program is ideal for those who wish to contribute over a defined, extended period of time. Your gift of a minimum donation of \$1,000 per year for 3 consecutive years helps immensely in allowing us to efficiently plan and support our programs across multiple years.

Patrons will benefit by:

- enjoying a special gala presentation each year which will include dinner, an update on our progress during the year and one or two special guest speakers;
- receiving short, succinct quarterly updates on how their donations are working for the benefit of Muskoka;
- being honoured on a wall to be constructed in the Muskoka Limnology Institute when it is built;
- receiving special recognition (if desired) in our newsletters, annual reports, and programs.

Patrons may be individuals, organizations, companies, educational institutions, foundations, etc.

# Friends of the Muskoka Watershed

Helping to ensure the Muskoka we have, continues to be the Muskoka we love.

By becoming a Patron of the Muskoka Watershed, we request that you commit to a minimum annual donation of \$1,000 for 3 consecutive years, renewable at the end of year 3 at your discretion.

We are currently awaiting confirmation of our charity status. We cannot issue tax receipts until we receive our confirmation.

## YES, I care enough about Muskoka's environmental health to become a Patron of the Muskoka Watershed

with an annual gift of  \$5,000  \$3,000  \$1,000  \$ other (min \$1,000)

for \_\_\_\_\_ years (minimum of 3)

As a Patron, I  give my permission to use my name in membership materials and corporate reports

would prefer to remain anonymous
